Welcome to the 2017-2018 school year at Little Halos Day School, which is going to be its 11th year of operation! We are very excited to begin this year and go through a journey based on our special curriculum which focuses on Faith, Language and Culture. I will also like to take the opportunity to introduce myself. I am Argyro Nikoletos, and I have been the Lead Teacher at the school for 9 years. This year, I will be taking the role of the Interim Director, as well as continue teaching. I am looking forward to serving the children and families and to a great year filled with new experiences.

Afternoon Greek School Program

My name is Eleni Giannaki, and I am the new Principal of the Afternoon Greek School Program at St. Athanasius.

I was born in Chalkida, Greece. I lived for many years in Athens until recently I relocated permanently to the greater Boston area with my family. I graduated from the National and Kapodistrian University of Athens, where I studied Philosophy, Pedagogy, and Psychology. I have worked for 17 years in the field of vocational training, coordinating, and teaching in programs referring to Greek language and Greek culture for foreigners (immigrants-refugees) who lived in Greece. In addition, I have extensive experience tutoring foreigners and Greek school pupils.

I look forward to partnering with our team of experienced and dedicated teachers and become worthy companions in the journey of children to their Greek roots, by applying renewed educational techniques and encouraging participatory activities which respond to children's interests and meet their communication needs.

I wish everyone a great school year!
