

Please Help us Furnish the St. Methodios Faith & Heritage Center

A joyous and historic event was recently celebrated by the faithful clergy and laity of the Metropolis of Boston—the Official Door Opening of the magnificent Retreat House at the Saint Methodios Faith & Heritage Center in Contoocook, NH.

This magnificent facility, comprised of 38 double bedrooms - including two handicapped accessible bedrooms and a number of conference and meeting rooms - welcomes faithful of all ages to participate in various workshops, conferences and seminars. The Retreat House is a place where brethren can discover themselves, a place where they can feel the loving embrace of Almighty God.

Please help us furnish this beautiful edifice which is your “home away from home.”
